## ASSIGNMENT

THIS DEED OF ASSIGNMENT is made the 15 day of August 2003.

BETWEEN:-

- (1) TSE CHUN HIN, BOBBY of Chinese nationality and of Flat B, 12/F, Golden Cassia Court, Full Wealth Garden, North Point, Hong Kong ("the ASSIGNOR"); and
- (2) MUSICAL ELECTRONICS LTD., a company incorporated in Hong Kong, whose place of business is situated at 5/F., Wider Industrial Bldg., 58 Tsun Yip St., Kwun Tong, Hong Kong ("the ASSIGNEE").

WHEREAS, the Assignor has invented a new and useful **WIRELESS TRANSMISSION INTERFACE AND METHOD** (drawings and an Abstract description of the concept of such invention is attached in the Schedule hereto) for which an application for United States Letters Patent will be executed by the Assignor and filed with the United States Patent and Trademark Office; and

WHEREAS, the Assignor believes himself to be the original, first and only inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, the Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of One Hundred US Dollars (US\$100) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby sells, assigns and transfers to the Assignee, the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, the Assignor agrees that, upon request and without further consideration, but at no expense to the Assignor, he and his legal representatives and assigns will do all lawful acts,

including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of the Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

The Assignor represents and warrants that the Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

The Assignor authorises and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to the Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, the Assignor and the Assignee have executed this Assignment on the date first above written.

#### SCHEDULE

##### Abstract

A wireless interface is provided for coupling an audio player having a digital flash memory to an in-car audio system. The interface comprises a holder having a power plug adapted to an in-car cigar lighter, a restraint for the audio player, and an FM transmitter for broadcasting the audio signal to the usual in-car FM radio. The device permits audio in the flash memory to be played on the in-car system, and provides a convenient means of holding the audio player for touch operation.
